McINTYRE, McDONALD AND HERBERT

Entire Republican City Ticket An Easy Winner.—The People Decided It.—McIntyre and Hennessey Break Even In First and Second Wards, but the "Fighting Third" Settles It.—McDonald and Herbert Lead in Every Ward

Windsor, Lothian and Wharton Are Elected Aldermen

Hutton has No Opposition.—Adams, Roy and Lane to Look After the Miscreants in the Different Wards.—It's Over Now; Let's All Pull Together for a Bigger and Better Yale.

MOST people would have called Monday a chilly day, but for those who were in the political game it was a decidedly hot one in Yale. The weather man dealt out about the meanest kind of material, but despite that fact the largest crowd that ever turned out at an election in Yale visited the polls and exercised their voting rights. To be exact there were 347 votes cast, and as the tabulated returns will show, the honors were about evenly divided, George McIntyre winning out over Herbert T. Hennessey for Mayor by only fifteen votes. The most peculiar part of the results was that the first ward, in which Hennessey resides gave him 51 votes and his opponent 42, while the second, McIntyre's ward, gave its candidate 51 votes and Hennessey 42, bringing the leaders of the two tickets up to the "fighting third" with an even break. In this ward Mr. Hennessey lost out and his opponent was elected to the highest office in the city.

¶ In the race for City Clerk Fred T. Palmer was pitted against Bert McDonald, the latter winning out by 38 votes. "Dusty" had a nice lead in every ward in the city. We expect to see our new city clerk shed his old cap and don his new English "bonnet" for every day wear in the very near future.

¶ John Hutton for City Treasurer had easy sledding on the Republican side, he being the only candidate without opposition.

¶ Herbert C. Martin was the candidate on the City Ticket for Supervisor and ran against Norman B. Herbert. Mr. Herbert had a snug majority from each ward and was elected by a majority of 70 votes.

¶ Aaron Windsor won out over Bert Welch for alderman in the first ward; R. Bruce Lothian over Wm. F. Ruh in the second and Thos. U. Wharton over Frank W. Andreae in the third. Chas. Adams was elected constable in the first ward, Wm. Roy in the second and Orrin Lane, third.

¶ The results of Monday's election were certainly very gratifying to the new republican organization which was only perfected a few weeks ago. Every man on their ticket was elected and the people can look for as clean an administration as is in the power of the newly elected officials to give.

¶ Now that the battle is over and the smoke is clearing away, let's all get together and pull with might and main for a "bigger and better Yale."

Sanilac Co. Still In Dry Column

The local option question was up before the voters in Sanilac county again at Monday's election and the "wets" are again defeated by a vote of 1015. Sandusky, which has been the headquarters for conducting the wet campaign every time the question has been submitted to the people, this year for the first time had a majority vote on the local option side.
The optimistic believe that this is the last time the issue will be before the people and that the county is dry to stay.

Blackney Has Easy Sledding.

E. T. Blackney, republican candidate for county school commissioner, had everything his own way, James, his only opponent, who made the run on the socialist ticket, receiving but a few scattering votes throughout the county.
Dan O'Connell who has been supervisor of Emmett township for the past fourteen years was re-elected.

Contest on In Lynn

As usual there were two tickets in the field in Lynn township this year and the fight was fast and furious. The columns were headed "Union Ticket" and "Progressive Township Ticket," the former winning all the way down the line. Thos. Shutt received a majority of eleven over his opponent, J. O. Root. Elton Kenney won out as clerk over Wm. E. Beers, jr., by 26 votes. Stephen McMurtree and Andrew Curry tied in the race for justice of the peace, the former winning out in the draw. Justin Curvin defeated Fay Green for the office of overseer of highways by only two votes. Following is a complete list of the officers elected:—
Supervisor—Thomas Shutt
Clerk—Elton Kenney
Treasurer—Frank Gottschalk
Highway Com'r—Charles Teetzel
Overseer of H'ways—Justin Curvin
Justice—Stephen McMurtree
Member Board of Review—Godfrey Shoeneman

A Hot Time In Speaker.

Monday was sure some "town meeting" day in old Speaker township, and nearly every one in the township who is eligible to vote exercised his rights. Time for the candidates to sit down and figure out how many of his "sure" votes should be transferred to the "doubtful" column.

The new republican city organization feels very grateful to the voters of the city of Yale for their assistance in electing every man on the republican ticket last Monday.

The entire republican state ticket has been elected, each candidate winning out over his opponent by a very handsome majority. Looks as though the old state was getting back where it used to be—one of the strongest republican states in the union.

AVOCA WOMAN SUICIDES

Mrs. Allie McConnell Blows Out Brains This Afternoon

Word just reaches Yale from Avoca that Mrs. Allie McConnell of that place had committed suicide at about 3 o'clock this afternoon by placing the muzzle of a revolver in her mouth and pulling the trigger. The whole top of her head was blown off. Despondency from brooding over domestic affairs is supposed to have been the cause of the rash act. She leaves a husband and two small children.
